

Amazing Grace

Amazing •Grace how sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see

'twas Grace that •taught my heart to fear
And Grace my fears relieved
How precious did that Grace ap-pear
The hour I first believed

Through many •dangers toils and snares
We have already come
'twas Grace that brought us safe thus far
And Grace will lead us home

When we've been •there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we first be-gun

Auld Lang Syne

Should old acquaintance be forgot
A-nd never brought to mind?
Should old acquaintance be forgot
A-nd auld la-ng syne?

For au-ld la-ng syne my dear
For auld lang syne
We'll take a cup of kindness yet
Fo-r auld la-ng syne

And surely you'll buy your pint cup
A-nd surely I'll buy mine
We'll take a cup of kindness yet
Fo-r auld la-ng syne

We two have run a-bout the hills
A-nd picked the daisies fine
We've wandered ma-ny a weary foot
Si-nce auld la-ng syne

We two have paddled in the stream
Fr-om morning sun till down
But seas between us broad have roared
Si-nce auld la-ng syne

And there's a hand my trusty friend
A-nd give me a hand o' thine
We'll take a loving good will draught
Fo-r auld la-ng syne

Three Little Birds

Don't worry about a thing

'cause every little thing

Is gonna be) alright

Singin' don't worry about a thing

'cause every little thing

Is gonna be) alright

Rise up this morning

Smile with the rising sun

Three little birds

Pitch by my doorstep

Singin' sweet songs

Of melodies pure and true

Singing this is my message to you-ou-ou

Sweet Caroline

•Where it began

I can't begin to know it
But then I know it's growin' strong
Was in the spring
And spring became the summer
Who'd have believed you'd come a-long

Hands. Touching hands
Reaching out. Touch-ing me, touching you

•Sweet Caroline (Ba Ba Ba)
Good times never seemed so good
I feel inclined (Ba Ba Ba)
To believe they never would (But now I)

•Look at the night
And it don't seem so lonely
We filled it up with only two
And when I hurt
Hurting runs off my shoulders
How can I hurt when holding you

One. Touching one
Reaching out. Touch-ing me, touching you

•Sweet Caroline (Ba Ba Ba)
Good times never seemed so good
I feel inclined (Ba Ba Ba)
To believe they never could (x2)

(slowing down) Sweet Caroline!

Wild Mountain Thyme

Oh the Summer-time has come
•And the trees are sweetly blooming
And the wild mountain thyme
Grows a-round the blooming heather

Will ye go lassie go?
•And we'll all go together
To pull wild mountain thyme
All a-round the blooming heather
Will ye go lassie go?

I will build my love a bower
•By yon clear crystal fountain
And on it I will plant
All the flowers of the mountain

And if my true love won't come
•I will surely find a-nother
To pull wild mountain thyme
All a-round the blooming heather

I will build my love a shelter
•On yon high mountain green
And my love shall be the fairest
That the summer sun has seen

Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Living for today
Ah-ha-a-a-a

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace
Yo-hu-u-u-u

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world
Yo-hu-u-u-u

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Ocean Eyes

I've been watchin' you for some time
Can't stop starin' at those ocean eyes
Burning cities and napalm skies
Fifteen flares inside those ocean eyes
Your ocean eyes

•No fair-ai-r-ai-r
You really know how to make me cr-y-y
When you gimme those ocean eyes
I'm sca-a-re-a-red
I've never fallen from quite this hi-gh-gh
Fallin' into your ocean eyes
Those ocean eyes

I've been walkin' through a world gone blind
Can't stop thinkin' of your diamond mind
Careful creature made friends with time
He left her lonely with a diamond mind
And those ocean eyes

•No fair-ai-r-ai-r
You really know how to make me cr-y-y
When you gimme those ocean eyes
I'm sca-a-re-a-red
I've never fallen from quite this hi-gh-gh
Fallin' into your ocean eyes
Those ocean eyes

Never Gonna Give You Up

We're no strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any o-ther guy
I just wanna tell you how I'm feeling
Gotta make you understand

Never gonna give you up
Never gonna let you down
Never gonna run a-round and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

We've known each o-ther for so long
Your heart's been aching, but you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it
And if you ask me how I'm feeling
Don't tell me you're too blind to see

Green, Green Grass

Well she ●moves like lightning
And she counts to three
And she turns out all the lights
and says she's coming for me
Now put your hands up
This is a heist
And there's no one in here li-ving
Gonna make it out a-live

Loading up when the sun goes down
●Getaway car for two young lovers
Me and the girl straight outta town
Over the hills and undercover
Undercover undercover

She said Green green grass
Blue blue ●sky
You'd better throw a party on the day that I die
Green green grass
Blue blue sky
You'd better throw a party on the day that I die

We go together
Adam and Eve
But the ●girl is so much more
Than just another apple thief
Yeah she's a genius
Watch and learn
And she sets the world on fi-re
Just to watch the sucker burn

Throw a party, throw a party yeah
Throw a party on the day that I die

Prechorus then Chorus x2

I Wanna Dance With Somebody

(1) Clock strikes u-pon the hour
And the sun begins to fade
Still e-nough time to fi-gure out
How to chase my blues a-way
I've done alright up 'till now
It's the light of day that shows me how
And when the night falls the loneliness calls

•Oh I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me x2

(2) I've been in love and lost my senses
Spinning through the town
Sooner or later the fe-ver ends
And I wind up feeling down
I need a man who'll take the chance
On a love that burns hot e-nough to last
So when the night falls
My lonely heart calls

(3) Somebody who, somebody who Somebody who loves me yeah
Somebody who, somebody who To hold me in his arms oh
I need a man who'll take the chance
On a love that burns hot e-nough to last
So when the night falls
My lonely heart calls

Whitney Houston

Super Trouper

I was sick and tired of everything
When I called you last night from Glasgow
All I do is eat and sleep and sing
Wishing every show was the last show
So imagine I was glad to hear you're coming
Suddenly I feel all right
And it's gonna be so different
When I'm on the stage tonight

Tonight the super trouper lights are gonna find me
Shining like the sun
Smiling having fun
Feeling like a number one
Tonight the super trouper beams are gonna blind me
But I won't feel blue, like I always do
'Cause somewhere in the crowd there's you

Facing twenty thousand of your friends
How can anyone be so lonely
Part of a success that never ends
Still I'm thinking about you only
There are moments when I think I'm going crazy
But it's gonna be all right
Everything will be so different
When I'm on the stage tonight

A Little Bit Of Love

I've been holding on to pieces, swimming in the deep end
Tryin' to find my way back to you 'cause I'm needing
A little bit of lo-oo-oo-ve
A little bit of love, a little bit of love

(1) Lately I've been counting stars
And I'm sorry that I broke your heart
It's something that I didn't want for you
But I'm stepping on broken glass
And I know this is my final chance
All I'm trying to do is find my path to you

I've got voices in my head and there's a
Deafening silence I've got
Voices in my head and I can't lie

I've been holding on to pieces
Swimming in the deep end
Tryin' to find my way back to you 'cause I'm needing
A little bit of lo-oo-oo-ve
A little bit of love, I need a little love

Just like the air I'm breathing
These open wounds ain't healing
Tryin' to find my way back to you 'cause I'm needing
A little bit of lo-oo-oo-ve
A little bit of love, a little bit of love
A little bit of love

(2) Lately I've been waking up
In my dream I stay calling your name
Stayed up late just thinking of you
Now I've been knocking on every door
'cause I heard you moved from twenty-two
Has it been that long? I guess time just flew

(3) I tried to fly but I used my wings too soon
Now everything I've been thinking of you
I tried a million times to cu-ut you loo-oo-oooo-oo-oose

Someone Like You

I ●heard that you're settled down, that you
Found a girl and you're married n-o-w
I heard that your dreams came true, guess she
Gave you things, I didn't give to you

Old friend, why are you so shy? Ain't like
You to hold back or hide from the light
I Hate to turn up out of the Blue uninvited but I
Couldn't stay away, I couldn't fight it I had
Hoped you'd see my face and That you'd be reminded that for
Me it isn't over

Never mind I'll find someone like you-oo
I wish nothing but the best for you too
●"Don't forget me" I beg
I remember you said
"Sometimes it lasts in love but sometimes it hurts instea-d
"Sometimes it lasts in love but sometimes it hurts instea-d

You ●know how the time flies only
Yesterday was the time of our li-ves we were
Born and raised in a summer haze bound
By the surprise of our glory days

I hate to turn up out of the blue, uninvited but I
Couldn't stay away, I couldn't fight it
I had hoped you'd see my face
And that you'd be reminded that for me it isn't over

Nothing com●pares no worries or cares
Regrets and mistakes they're memories ma-de
Who would have known how bitterswe-et this would taste?

Hallelujah

Now I heard there was a secret chord
That David played and it pleased the Lord
But you dont really care for music do you?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled king composing Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew her
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

Well maybe there's a God above
But all I've ever learned from love
Is how to shoot somebody who outdrew you
It's not a cry that you hear at night
It's not somebody who's seen the Light
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

Well maybe I've been here before
I've seen this room and I've walked this floor
You know I used to live alone before I knew ya
And I've seen your flag on the marble arch
Our love is not a victory march
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

There was a time you let me know
What's really going on below
But now you never show it to me do you?
And I remember when I moved in you
And the holy dove was moving too
And every breath we drew was Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah
