

Amazing Grace

Amazing Grace how •sweet the sound
That saved a wretch like **me**
I once was lost but now am found
Was blind but now **I** see

'twas •Grace that taught my heart to fear
And Grace my fears **reli**ev**ed**
How precious did that Grace ap-pear
The hour I first **be**lie**ved**

Through many dangers •toils and snares
We have already **come**
'twas Grace that brought us safe thus far
And Grace will lead **us** home

When we've been there ten •thousand years
Bright shining as the **sun**
We've no less days to sing God's praise
Than when we first **be**-gun

Auld Lang Syne

Should •old acquaintance **be** forgot
A-**nd** never brought to mind?
Should old acquaintance **be** forgot
A-**nd** auld la-**ng** syne?

For au-ld la-**ng** **syne** •my **dear**
For auld lang syne
We'll take a cup of **kindness** **yet**
Fo-**r** auld la-**ng** syne

And •surely you'll buy **your** pint **cup**
A-**nd** surely I'll buy mine
We'll take a cup of **kindness** **yet**
Fo-**r** auld la-**ng** syne

We •two have run a-**bout** the **hills**
A-**nd** picked the daisies fine
We've wandered ma-**ny** a **weary** **foot**
Si-**nce** auld la-**ng** syne

We •two have paddled **in** the **stream**
Fr-**om** morning sun till down
But seas between us **broad** have **roared**
Si-**nce** auld la-**ng** syne

And •there's a hand my **trusty** **friend**
A-**nd** give me a hand o' thine
We'll take a loving **good** will **draught**
Fo-**r** auld la-**ng** syne

Three Little Birds

Don't wor•ry about a thing
'cause every little thing
Is gonna be alright
Singin' don't worry about a thing
'cause every little thing
Is gonna be alright

Rise up •this morning
Smile with the rising sun
Three little birds
Pitch by my doorstep
Singin' sweet songs
Of melodies pure and true
Singing this is my message to you-ou-ou

Sweet Caroline

Where it began

I can't begin to know it

•But then I know it's growin' strong

Was in the spring

And spring became the summer

Who'd have believed you'd come a-long

Hands. Touching hands

Reaching out. Touch-ing •me, touching you

Sweet Caroline (Ba Ba Ba)

Good times never seemed •so good

I feel inclined (Ba Ba Ba)

To believe they never would (But now I)

Look at the night

And it don't seem so lonely

•We filled it up with only two

And when I hurt

Hurting runs off my shoulders

How can I hurt when holding you

One. Touching one

Reaching out. Touch-ing •me, touching you

Sweet Caroline (Ba Ba Ba)

Good times never seemed •so good

I feel inclined (Ba Ba Ba)

To believe they never could (x2)

(slowing down) Sweet Caroline!

Wild Mountain Thyme

Oh the Summer-time has •come
And the trees are sweetly blooming
And the wild mountain thyme
Grows a-round the **blooming** heather

•Will ye go lassie go?
And we'll all go to-gether
To pull wild mountain thyme
All a-round the **blooming** heather
Will ye **go** lassie go?

•I will **build my** love a bower
By yon clear crystal fountain
And on it I will plant
All the flow-ers **of** the mountain

•And if **my true** love won't come
I will surely find a-nother
To pull wild mountain thyme
All a-round the **blooming** heather

•I will **build my** love a shelter
On yon high mountain green
And my love shall be the fairest
That the sum-mer **sun** has seen

Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
I imagine all the people
Living for today
Ah-ha-a-a-a

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
I imagine all the people
Living life in peace
Yo-hu-u-u-u

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
I imagine all the people
Sharing all the world
Yo-hu-u-u-u

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Ocean Eyes

I've **been** watchin' •you for **some** time
Can't **stop** starin' at **those** ocean eyes
Burnin' cities and napalm skies
Fifteen flares **inside** **those** ocean eyes
Your ocean eyes

No •fair-**ai**-r-**ai**-r
You really know how to **make me cr-y-y**
When you gimme those ocean eyes
I'm sca-**a**-re-**a**-red
I've never fallen from **quite this hi-gh-gh**
Fallin' in **to** your ocean eyes
Those ocean eyes

I've **been** walkin' •through a world **gone** blind
Can't **stop** thinkin' of **your** diamond mind
Careful creature made friends **with** time
He left **her** lonely with **a** diamond mind
And **those** ocean eyes

No •fair-**ai**-r-**ai**-r
You really know how to **make me cr-y-y**
When you gimme those ocean eyes
I'm sca-**a**-re-**a**-red
I've never fallen from **quite this hi-gh-gh**
Fallin' in **to** your ocean eyes
Those ocean eyes

Never Gonna Give You Up

We're no •strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any o-ther guy
I just wanna tell you how I'm feeling
Gotta make you understand

Never •gonna give you up
Never gonna let you down
Never gonna run a-round and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

We've known each •o-ther for so long
Your heart's been aching, but you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it
And if you ask me how I'm feeling
Don't tell me you're too blind to see

Green, Green Grass

● Well she moves like lightning
And she counts to three
And she turns out all the lights
and says she's **coming for** me
Now put your hands up
This is a heist
And there's no one in here living
Gonna **make it out a-live**

● Loading up when the sun goes down
Getaway car for **two young lovers**
Me and the girl straight outta town
Over the hills **and undercover**
Undercover undercover

She said ● Green green grass
Blue blue sky
You'd better throw a party on the **day that** I die
Green green grass
Blue blue sky
You'd better throw a party on the **day that** I die

We go together

Adam and Eve

● But the girl is so much more
Than just **another apple** thief
Yeah she's a genius

Watch and learn

And she sets the world on fi-re
Just to **watch the sucker** burn

Throw a party, throw a party yeah
Throw a party on the **day that** I die

Prechorus then Chorus x2

I Wanna Dance With Somebody

(1) Clock strikes u-pon the hour
And the sun begins to fade
Still e-nough time to fi-gure out
How to chase my blues a-way
I've done alright up 'till now
It's the light of day that shows me how
And when the night falls the loneliness calls

Oh I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me x2

(2) I've been in love and lost my senses
Spinning through the town
Sooner or later the fe-ver ends
And I wind up feeling down
I need a man who'll take the chance
On a love that burns hot e-nough to last
So when the night falls
My lonely heart calls

(3) Somebody who, somebody who Somebody who loves me yeah
Somebody who, somebody who To hold me in his arms oh
I need a man who'll take the chance
On a love that burns hot e-nough to last
So when the night falls
My lonely heart calls

Whitney Houston

Super Trouper

I was sick and tired of everything
When I called you last night from Glasgow
All I do is eat and sleep and sing
Wishing every show was the last show
So imagine I was glad to hear you're coming
Suddenly I feel all right
And it's gonna be so different
When I'm on the stage tonight

Tonight the super trouper lights are gonna find me
Shining like the sun
Smiling having fun
Feeling like a number one
Tonight the super trouper beams are gonna blind me
But I won't feel blue, like I always do
'Cause somewhere in the crowd there's you

Facing twenty thousand of your friends
How can anyone be so lonely
Part of a success that never ends
Still I'm thinking about you only
There are moments when I think I'm going crazy
But it's gonna be all right
Everything will be so different
When I'm on the stage tonight

A Little Bit Of Love

I've been holding on to pieces, swimming in the deep end
Tryin' to find my way back to you 'cause I'm needing
A little bit of lo-oo-oo-ve
A little bit of love, a little bit of love

(1) Lately I've been counting stars
And I'm sorry that I broke your heart
It's something that I didn't want for you
But I'm stepping on broken glass
And I know this is my final chance
All I'm trying to do is find my path to you

I've got voices in my head and there's a
Deafening silence I've got
Voices in my head and I can't lie

I've been holding on to pieces
Swimming in the deep end
Tryin' to find my way back to you 'cause I'm needing
A little bit of lo-oo-oo-ve
A little bit of love, I need a little love

Just like the air I'm breathing
These awful wounds ain't healing
Tryin' to find my way back to you 'cause I'm needing
A little bit of lo-oo-oo-ve
A little bit of love, a little bit of love
A little bit of love

(2) Lately I've been waking up
In my dream I stay calling your name
Stayed up late just thinking of you
Now I've been knocking on every door
'cause I heard you moved from twenty-two
Has it been that long? I guess time just flew

(3) I tried to fly but I used my wings too soon
Now everything I've been thinking of you
I tried a million times to cu-ut you loo-oo-oooo-oo-oose

Someone Like You

I heard that •you're **settled down, that you**
Found a girl and you're married n-o-w
I heard that your **dreams came true, guess she**
Gave you things, I didn't give to you

Old friend, why are you **so shy? Ain't like**
You to hold back or hide from the light
I **Hate** to turn up out **of the Blue uninvited but I**
Couldn't stay away, I couldn't fight it I had
Hoped you'd see my face and **That** you'd be reminded that for
Me it isn't over

•Never mind I'll **find someone** like you-oo
I wish nothing but the **best** for you too
"Don't forget me" I **beg**
I remember you said
"Sometimes it lasts in love but **sometimes it hurts** instea-d
"Sometimes it lasts in love but **sometimes it hurts** instea-d

You know how •the **time flies only**
Yesterday was the time of our li-ves **we** were
Born and raised in a **summer haze bound**
By the surprise of our glory days

I **hate** to turn up **out of the blue, uninvited but I**
Couldn't stay away, I couldn't fight it
I had **hoped** you'd see my face
And **that** you'd be reminded that for me it isn't over

•Nothing compares **no** worries or cares
Regrets and mistakes they're memories ma-de
Who would have known how bitterswe-**et this** would taste?

Chorus x2

Hallelujah

Now I heard there was a secret chord
That David played and it pleased the Lord
But you dont really care for music do you?
It goes like this, the fourth, the **fifth**
The •minor fall, the major **lift**
The baffled king composing Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-**u**-•jah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew her
She tied you to a kitchen **chair**
She •broke your throne, and she cut your **hair**
And from your lips she drew the Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-**u**-•jah

Well •maybe there's a God above
But all I've ever learned from love
Is how to shoot somebody who •outdrew you
It's not a cry that you hear at **night**
It's •not somebody who's seen the **Light**
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-**u**-•jah

Well maybe I've been here before
I've seen this room and I've walked this floor
You know I used to live alone before I knew ya
And I've seen your flag on the marble **arch**
Our •love is not a victory **march**
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-**u**-•jah

There was a time you let me know
What's really going on below
But now you never show it to me do you?
And I remember when I moved in **you**
And the •holy dove was moving **too**
And every breath we drew was Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelu-**u**-•jah
