

# Amazing Grace

Amazing Grace how sweet the sound  
That saved a wretch like me  
I once was lost but now am found  
Was blind but now I see

• 'twas Grace that taught my heart to fear  
And Grace my fears relieved  
How precious did that Grace appear  
The hour I first believed

• Through many dangers toils and snares  
We have already come  
'twas Grace that brought us safe thus far  
And Grace will lead us home

• When we've been there ten thousand years  
Bright shining as the sun  
We've no less days to sing God's praise  
Than when we first begun

# Auld Lang Syne

Should old acquaintance be forgot  
A-nd never brought •to mind?  
Should old acquaintance be forgot  
A-nd auld la-ng syne?

For •au-ld la-ng syne my dear  
For auld lang syne  
We'll take a cup of kindness yet  
Fo-r auld la-ng syne

And surely you'll buy your pint cup  
A-nd surely I'll •buy mine  
We'll take a cup of kindness yet  
Fo-r auld la-ng syne

We two have run a-bout the hills  
A-nd picked the dai•sies fine  
We've wandered ma-ny a weary foot  
Si-nce auld la-ng syne

We two have paddled in the stream  
Fr-om morning sun •till down  
But seas between us broad have roared  
Si-nce auld la-ng syne

And there's a hand my trusty friend  
A-nd give me a hand •o' thine  
We'll take a loving good will draught  
Fo-r auld la-ng syne

# Sweet Caroline

Where **it** •began  
I can't **begin to** know it  
But then I know it's growin' strong  
Was **in** the spring  
And spring **became the** summer  
Who'd have believed you'd come a-long

•Hands. **Touching hands**  
Reaching out. Touch-**ing me, touching** you

Sweet •Caroline (Ba Ba Ba)  
**Good times never** seemed so good  
I feel **inclined** (Ba Ba Ba)  
**To believe** they never would (But now **I**)

Look **at** the •night  
And it **don't seem so** lonely  
We filled it up with only two  
And **when** I hurt  
Hurting **runs off my** shoulders  
How can I hurt when holding you

•One. **Touching one**  
Reaching out. Touch-**ing me, touching** you

Sweet •Caroline (Ba Ba Ba)  
**Good times never** seemed so good  
I feel **inclined** (Ba Ba Ba)  
**To believe** they never could (x2)

(slowing down) Sweet Caroline!

# Wild Mountain Thyme

Oh the •Summer-time has come  
And the trees are sweetly blooming  
And the wild mountain thyme  
Grows a-round the blooming heather

Will ye •go lassie go?  
And we'll all go to-gether  
To pull wild mountain thyme  
All a-round the blooming heather  
Will ye go lassie go?

I will •build my love a bower  
By yon clear crystal fountain  
And on it I will plant  
All the flow-ers of the mountain

And if •my true love won't come  
I will surely find a-nother  
To pull wild mountain thyme  
All a-round the blooming heather

I will •build my love a shelter  
On yon high mountain green  
And my love shall be the fairest  
That the sum-mer sun has seen

# Imagine

•Imagine there's no heaven

It's easy if you try

No hell below us

Above us, only sky

Imagine all the people

Living for today

Ah-ha-a-a-a

•Imagine there's no countries

It isn't hard to do

Nothing to kill or die for

And no religion too

Imagine all the people

Living life in peace

Yo-hu-u-u-u

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one

•Imagine no possessions

I wonder if you can

No need for greed or hunger

A brotherhood of man

Imagine all the people

Sharing all the world

Yo-hu-u-u-u

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one

# Ocean Eyes

I've •been watchin' you for some time  
Can't stop starin' at those ocean eyes  
Burning cities and napalm skies  
Fifteen flares inside those ocean eyes  
Your ocean eyes

No fair-ai-r-ai-r  
You really know how to make me cr-y-y  
When you gimme those ocean eyes  
I'm sca-a-re-a-red  
I've never fallen from quite this hi-gh-gh  
Fallin' into your ocean eyes  
Those ocean eyes

I've •been walkin' through a world gone blind  
Can't stop thinkin' of your diamond mind  
Careful creature made friends with time  
He left her lonely with a diamond mind  
And those ocean eyes

No fair-ai-r-ai-r  
You really know how to make me cr-y-y  
When you gimme those ocean eyes  
I'm sca-a-re-a-red  
I've never fallen from quite this hi-gh-gh  
Fallin' into your ocean eyes  
Those ocean eyes

# Never Gonna Give You Up

We're no strangers to love  
You know the rules and so do I  
A full commitment's what I'm thinking of  
You wouldn't get this from any o-ther guy  
I just wanna tell you how I'm fee•ling  
Gotta make you understand

•Never gonna give you up  
Never gonna let you down  
Never gonna run a-round and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

We've known each o-ther for so long  
Your heart's been aching, but you're too shy to say it  
Inside we both know what's been going on  
We know the game and we're gonna play it  
And if you ask me how I'm fee•ling  
Don't tell me you're too blind to see

## Green, Green Grass

Well she moves like lightning  
And she counts to three  
And she turns out all the lights  
and says she's coming for me  
Now put your hands up  
This is a heist  
And there's no one in here li-ving  
Gonna make it out a-live

Loading up when the sun goes down  
Getaway car for two young lovers  
Me and the girl straight outta town  
Over the hills and undercover  
Undercover undercover

She said Green green grass  
Blue blue sky  
You'd better throw a party on the day that I die  
Green green grass  
Blue blue sky  
You'd better throw a party on the day that I die

We go together  
Adam and Eve  
But the girl is so much more  
Than just another apple thief  
Yeah she's a genius  
Watch and learn  
And she sets the world on fi-re  
Just to watch the sucker burn

Throw a party, throw a party yeah  
Throw a party on the day that I die

Prechorus then Chorus x2

# I Wanna Dance With Somebody

(1) Clock strikes u-pon •the hour  
And the sun begins to fade  
Still e-nough time to fi-gure out  
How to chase my blues a-way  
I've done alright up 'till now  
It's the light of day that shows me how  
And when the night falls the loneliness calls

Oh I wanna dance with somebody  
I wanna feel the •heat with somebody  
Yeah, I wanna dance with somebody  
With somebody who loves me x2

(2) I've been in love and lost •my senses  
Spinning through the town  
Sooner or later the fe-ver ends  
And I wind up feeling down  
I need a man who'll take the chance  
On a love that burns hot e-nough to last  
So when the night falls  
My lonely heart calls

(3) Somebody who, somebody who Somebody who loves me yeah  
Somebody who, somebody who To hold me in his arms oh  
I need a man who'll take the chance  
On a love that burns hot e-nough to last  
So when the night falls  
My lonely heart calls

Whitney Houston

## Super Trouper

I was sick and tired of everything  
•When I called you last night from Glasgow  
All I do is eat and sleep and sing  
Wishing every show was the last show  
So imagine I was glad to hear you're coming  
Suddenly I feel all right  
And it's gonna be so different  
When I'm on the stage tonight

Tonight the •super trouper lights are gonna find me  
Shining like the sun  
Smiling having fun  
Feeling like a number one  
Tonight the super trouper beams are gonna blind me  
But I won't feel blue, like I always do  
'Cause somewhere in the crowd there's you

Facing twenty thousand of your friends  
•How can anyone be so lonely  
Part of a success that never ends  
Still I'm thinking about you only  
There are moments when I think I'm going crazy  
But it's gonna be all right  
Everything will be so different  
When I'm on the stage tonight

## A Little Bit Of Love

•I've been holding on to pieces, swimming in the deep end  
Tryin' to find my way back to you 'cause I'm needing  
A little bit of lo-oo-oo-ve  
A little bit of love, a little bit of love

(1) Lately I've been counting •stars  
And I'm sorry that I broke your heart  
It's something that I didn't want for you  
But I'm stepping on broken glass  
And I know this is my final chance  
All I'm trying to do is find my path to you

I've got voices in my head and there's a  
Deafening silence •I've got  
Voices in my head and I can't lie

•I've been holding on to pieces  
Swimming in the deep end  
Tryin' to find my way back to you 'cause I'm needing  
A little bit of lo-oo-oo-ve  
A little bit of love, I need a little love

•Just like the air I'm breathing  
These o-pen wounds ain't healing  
Tryin' to find my way back to you 'cause I'm needing  
A little bit of lo-oo-oo-ve  
A little bit of love, a little bit of love  
A little bit of love

(2) Lately I've been waking •up  
In my dream I stay calling your name  
Stayed up late just thinking of you  
Now I've been knocking on every door  
'cause I heard you moved from twenty-two  
Has it been that long? I guess time just flew

(3) I tried to fly but I used my wings too soon  
•Now everything I've been thinking of you  
I tried a million times to cu-ut you loo-oo-oooo-oo-oose

## Someone Like You

•I heard that you're settled down, that you  
Found a girl and you're married n-o-w  
I heard that your dreams came true, guess she  
Gave you things, I didn't give to you

Old friend, why are you so shy? Ain't like  
You to hold back or hide from the light  
I Hate to turn up out of the Blue uninvited but I  
Couldn't stay away, I couldn't fight it I had  
Hoped you'd see my face and That you'd be reminded that for  
Me it isn't over

Never mind I'll find someone like you-oo  
I wish no•thing but the best for you too  
"Don't forget me" I beg  
I remember you said  
"Sometimes it lasts in love but sometimes it hurts instea-d  
"Sometimes it lasts in love but sometimes it hurts instea-d

•You know how the time flies only  
Yesterday was the time of our li-ves we were  
Born and raised in a summer haze bound  
By the surprise of our glory days

I hate to turn up out of the blue, uninvited but I  
Couldn't stay away, I couldn't fight it  
I had hoped you'd see my face  
And that you'd be reminded that for me it isn't over

Nothing •compares no worries or cares  
Regrets and mistakes they're memories ma-de  
Who would have known how bitterswe-et this would taste?

Chorus x2

# Hallelujah

Now I •heard there was a secret chord  
That David played and it pleased the Lord  
But you dont really care for music do you?  
It goes like this, the fourth, the fifth  
The minor fall, the major lift  
The baffled king composing Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

Your •faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew her  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

Well •maybe there's a God above  
But all I've ever learned from love  
Is how to shoot somebody who outdrew you  
It's not a cry that you hear at night  
It's not somebody who's seen the Light  
It's a cold and it's a broken Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

Well •maybe I've been here before  
I've seen this room and I've walked this floor  
You know I used to live alone before I knew ya  
And I've seen your flag on the marble arch  
Our love is not a victory march  
It's a cold and it's a broken Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah

There •was a time you let me know  
What's really going on below  
But now you never show it to me do you?  
And I remember when I moved in you  
And the holy dove was moving too  
And every breath we drew was Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelu-u-jah
